

Northern Burlington County Regional High School
Parent/Student Consent and Information Form
School year 2006-2007

In an attempt to streamline the data that must be collected at the start of each school year and reduce the number of forms that must be returned, we have consolidated several requests for information onto one sheet (front and back). Please review each section, indicate your preferences where applicable, and return to school on or before the first day of school. Please complete one form for each child in the high school.

Student's Name (please print)	Grade Level	Homeroom
-------------------------------	-------------	----------

1. Parent/Student Handbook:

I understand that my son/daughter will receive a student handbook as part of the *Student Agenda* in homeroom on the first day of school. I also understand that a copy of the handbook may be downloaded from the NBC web site (www.nburlington.com) or picked up from the high school main office.

2. Acceptable Use of Technology:

I have read and understand the Computer Network Acceptable Use Policy for students, as included in this mailing. A copy of this policy also appears in the student handbook and on the NBC web site at www.nburlington.com.

3. Display of Pictures:

At NBC, we take pride in celebrating our students' accomplishments. I give the Northern Burlington County Regional School District permission to display pictures or photos of my son/daughter in school generated publications, news releases, and web pages.

4. Opt Out of Paper Progress Reports:

The PowerSchool Student Information System allows parents and students to check grades and teacher comments throughout the school year and save the district money in postage and supply costs. This money can be redirected back into the classroom. The information you view on PowerSchool is the same information you will receive on a progress report. Indicate below if you would like to “turn off” paper progress reports in favor of viewing student progress and comments online.

I prefer to continue to receive paper progress reports four times annually.

I prefer to check my child’s academic progress online and would like to “turn off” paper progress reports. Report cards will continue to be issued in hard copy.

5. Federally Connected Student / Impact Aid Survey:

The Northern Burlington County Regional School District receives Federal Impact Aid for each student whose parent, guardian, or “other” party with whom the student lives is employed by a federal agency (including the Uniformed Services) or by a civilian contractor where the place of employment is located on federal property. This aid is important to our school budget and helps us support our academic programs and facilities.

In an attempt to get an early indication of how many students come from homes where at least one parent or guardian is employed by the federal government or works on federal property, we ask that you complete the information below by checking the appropriate box. In mid-October, the time that all federally connected students must be officially counted, we will once again reach out to all parents who check “YES” below to confirm that you remain federally connected. *This information will not be shared with anyone or used for any other purpose.*

<input type="checkbox"/> YES <input type="checkbox"/> NO Is at least one Parent/Guardian/Other on active duty in the UNIFORMED SERVICES?	<input type="checkbox"/> YES <input type="checkbox"/> NO Is at least one Parent/Guardian/Other a civilian employee WORKING ON FEDERAL PROPERTY (i.e., McGuire AFB, Fort Dix, Post Office)?
